at Dubai, UAE

PROJECT MANAGEMENT TRAINING

Tulip Trainings invites you to participate in its exclusive Project Management Training, scheduled to take place at Dubai in November 2025.

This programme has been meticulously designed for faith-based organisations working in the Global South. Enhance your team's skills, and prepare effective project proposals and secure sustainable funding.

Why Attend

Expert Guidance: Learn from highly experienced professionals from Europe, Asia and Africa

Multilingual Support: Conducted in English & French with simultaneous interpretation.

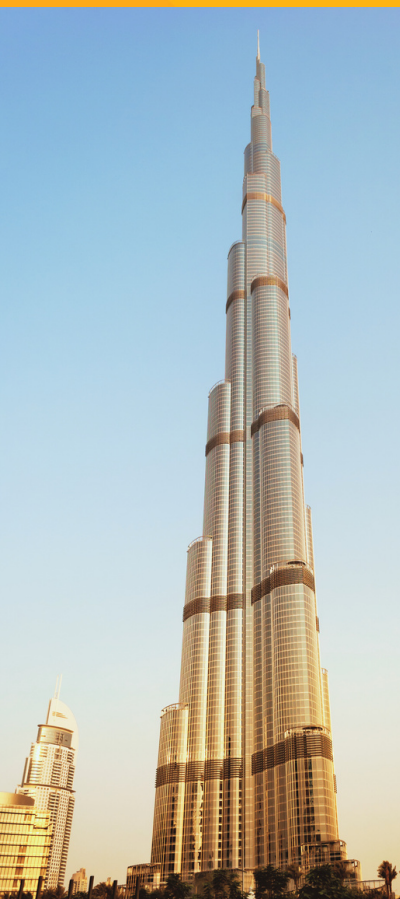

Practical Outcomes: Complete and refine your own project proposal by the end of the training.

Networking Opportunities: Connect with global experts and peers, establishing valuable contacts for future collaboration.

Mentorship Programme: Continuous support during training to guide proposal development.

Prospective Participants

Congregational Leaders / Mission Procurators / Staff of Project Office / Philanthropic Development Office Staff (PDO) / Diocesan Project Directors / Caritas office Personnel / Anyone wanting to learn Project Designing using Logical Framework Approach.

Key Benefits

- Learn advanced skills in Project Management and Fundraising.
- Listen directly from the Donor Agencies present on site.
- Apply international best practices to your project.
- Gain insights into emerging global funding trends relevant to faith-based organisations.
- Strengthen your capacity in monitoring, evaluation, accountability, and learning (MEAL).
- Enhance your Congregation's ability to design sustainable, community-driven projects.
